This week's update.....

Another great week! Our waiting list for new students continues to grow and great things continue to happen in our classrooms ☺

Field Trips!.....

As we enter the second half of the school year classrooms will be scheduling field trips. The paperwork that comes home for your signature needs to be returned back to the teacher no later than one week prior to the scheduled event. If you are able to drive (which is very much appreciated) you need to have updated paperwork in the office which includes a copy of your drivers license and a copy of your insurance declaration page. Check with Pam to be sure we have updated paperwork.

Registration for next year.....

Registration packets for 2010-2011 school year will be sent out March 1 for all continuing students and will be due back by March 31. It is important to return your registration materials by the due date to secure your seat for next year.

The Boys Bathroom Gremlins are Back.....

This time it seems they don't want to use the toilets or urinals but prefer the floor. Please continue those discussions about appropriate bathroom habits and respecting school property.

Watch for the next enrichment day.....

Dr. Seuss on the loose! We will be celebrating Dr Seuss's birthday on March 2! A flyer will be coming home telling of our activities for the event, but I will already tell you to start looking for those Suess Books. We will be doing activities revolving around his books. As always, we will be looking for parents to help with the stations ☺ Dr. Suess was born March 2, 1904 ☺

1st Semester Report Cards.....

It is important that we receive signed acknowledgements from all of the parents. Please print your child name at the top of the page so that we can check them off. ☺

Parent Survey.....

Thanks to all for returning surveys, if you haven't done so, please do and it is very much appreciated ☺

Important Dates.....

- **March 2—Dr Suess Enrichment Day! Begins at 2:30**
- **March 3—7th grade State Writing Assessment**

Lunch Schedule.....
