

Sierra Montessori Academy Weekly News

March 1—5, 2010

This week's update.....

Thanks to all the parents who returned the survey, I have reviewed all the data and read all your comments and am happy to report....we are doing a great job. I will have information that is more precise and comments for you in next week's newsletter☺

Field Trips!.....Just repeating.....

As we enter the second half of the school year classrooms will be scheduling field trips. The paperwork that comes home for your signature needs to be returned back to the teacher no later than one week prior to the scheduled event. If you are able to drive (which is very much appreciated) you need to have updated paperwork in the office which includes a copy of your drivers license and a copy of your insurance declaration page. Check with Pam to be sure we have updated paperwork.

Registration for next year.....

Registration letters to confirm attendance at SMA next year will be sent home on Monday, March 1. They will be due back by March 31. It is important to return your confirmation by the due date to secure your seat for next year. We plan to place all registration documents on the website this year...we'll keep you posted.

Watch for the next enrichment day.....

Dr. Seuss on the loose! Look for those Suess Books as we will be doing activities revolving around his books. As always, we will be looking for parents to help with the stations ☺ Dr. Suess was born March 2, 1904.
